

GUSTAVE

GUSTAVE

HIGUCHI YUKO

HEY, GUSTAVE,
I HAVE A QUESTION...

WHAT ARE YOU?
A CAT?
A SQUIRREL?
AN OCTOPUS?

UM...
A CAT.

EH?!
YOU DON'T LOOK
LIKE A CAT!
SEE?

UM, WELL THEN,
I'M A CROCODILE.

EH? BUT I'M
A CROCODILE!
ANYWAYS, WHAT ARE YOU
READING OVER THERE?

I GOT IT!

I UNDERSTAND NOW. HOW I WAS BORN.

YOU CAME FROM
THOSE PAGES?

THAT'S RIGHT.
RIGHT FROM THIS
BOOK.

Shake Shake

NOW EVERYONE'S HERE!

I CAN MAKE UP TO TEN OF ME!

NOW I'M GONNA PULL
OUT OTHER THINGS.

WOW, THIS IS
A BIG ONE!

COME ON,
NOW!

LET'S KEEP
'EM COMING!

THIS IS TERRIBLE!

WA...

AH!!
MY PANTS AND BOOTS
WALKED AWAY!

CROCODILE-KUN!
WHAT ARE YOU DOING?
THIS IS A GREAT THING,
DON'T TRY TO STOP US!

ALL OF THE GUSTAVE-KUN'S SURROUNDED CROCODILE-KUN.

AS MORE AND MORE MYSTERIOUS CREATURES GATHERED.

OW, OW! NO MORE!

ALL OF THE
GUSTAVE-KUNS
GATHERED AROUND
CROCODILE-KUN,
EXCEPT FOR ONE.

SUDDENLY, THERE WAS A LIGHT.

ALL OF THE MYSTERIOUS CREATURES DISSAPEARED.

YOU GUYS SHOULD
GO BACK AS WELL...

Umm...

Hmpf.

UNTIL NEXT TIME!

THE 10 EXTRA
GUSTAVE-KUNS
ALL LEFT.
SOON IT WAS AS IF
THEY WERE NEVER
THERE AT ALL.

THE ORIGINAL
GUSTAVE-KUN HELD
ON TO THE BOOK,
AND READ FROM IT
EVERY NIGHT.

THE GROWTH PROCESS

a. Kinds of flowers are diversified.
b. It is known that the quality of soil changes flower color and the shape of seed.
c. This plant is not suitable to be planted. It is very difficult to grow it.
Even if it grows, the development depends on its suitability with the owner.

The plant increases on seeds. The figure shows an example of the variety seeds.
a. Plant the seed at a depth of seven to ten.
b. Different sunlight is required to grow.

c. The roots grow faster if limbs leaves. Don't dig them up, it is dangerous!
d. When the leaves yellow about the size of this, the roots begin to overdo.
e. When the flowers, it is a bit in terms of leaves.
It is hard to be so much more weight like, there is individual difference.
f. If flowers are more weight like.
